36. White monkey offers fruit - *Bai Yueng Shen Guo*
37. Embrace the moon - *Wai Jung Bao Yue*
38. Close form - *Shou Shih*

太極刀

The energy and actions of the Dao (broadsword) are to be quick and fierce. It's likened to the Tiger fighting, in contrast to the Jian (sword) whose movements should reflect the Phoenix. Though each movement should be quick and strong be careful not to slur the movements together.
